[Gianfranco Ferré 'Kroko-MINI'](#)

World-famous designer Gianfranco Ferré are auctioning a unique MINI Cabrio in aid of Vienna's "Zugunsten des Life Ball 2004". The car will appear from 7 to 17 June 2004 on www.eBay.at, www.eBay.de and www.eBay.ch, and is unique by having its interior finished in typical Ferré 'Krokodesign' leather with an external paint finish to match.

The auction of the 'Kroko-MINI' will coincide with the introduction of the new MINI Cabrio when deliveries of MINI One (90bhp) and Cooper (115bhp) will start. The MINI Cooper S Cabrio with a sporty 170 HP follows in August.

For more details on the new MINI Cabrio please [CLICK HERE](#).
