All-Porsche auction in Reims, June 5 - 6 2004

With 8 years experience of selling historic and collectible Porsches, 'Automobilia' will organize the first Porsche-only auction in Europe. This sale will take place in the famous Chateau Vranken Pommery in Reims - the champagne capital of Europe - on the 5 - 6 June. Around 30 cars, all technically inspected and valued, are expected to be entered.

Few marques and models have as much history as Porsche, nor do they inspire such a loyal following from their owners. The symbols of sporting excellence and touring pleasure for many years, Stuttgart's rear-engined models are truly automotive art.

It's on the basis of these virtues that the organisers believe the time is right for an all-Porsche event, an event in beautiful surroundings that can be part of a holiday for enthusiasts of the marque.

Viewing will be from 10.00 - 18.00 on Saturday 5th June, and 09.00 to 12.00 on the Sunday the 6th. The Sale, conducted by a '*Huissier de justice agréé*' - the French 'man of law' legally responsible to be present under national legislation - will commence at 14.00 sharp at the following location -
