
MINI introduces new models to the line-up

23 June 2005 | Classic Driver

This September, MINI will add three new models to the existing hatchback range - MINI One Seven, MINI Cooper Park Lane and MINI Cooper S Checkmate. Since launch, MINI customers have always benefited from the availability of the cost effective Salt, Pepper and Chili option packages. These packages remain, but the 'Seven', 'Park Lane' and 'Checkmate' models add exclusive equipment and additional standard specification, giving the MINI driver even more choice when it comes to personalising their car.

Mini Seven

The new MINI One Seven exclusively features Solar Red metallic paint, 'Seven' cloth and 'Seven' interior trim, MINI Seven decals and 15" Delta spoke alloy wheels.

Additional MINI options which feature as standard on 'Seven' are Automatic Stability Control and Traction (ASC+T), sports leather steering wheel, rear spoiler, floor mats, passenger seat height adjustment, storage compartment pack, front foglights, manual air conditioning, on board computer, interior lights pack and white indicators.

Mini Park Lane

The new MINI Cooper Park Lane exclusively features Royal Grey metallic paint, 'Park Lane' leather and interior trim, 'Park Lane' decals, silver roof, two-tone sports leather steering wheel, 16" Bridge spoke alloy wheels and silver bonnet stripes.

Additional MINI options which feature as standard on 'Park Lane' are ASC+T, rear spoiler, chrome line interior and exterior, floor mats, passenger seat height adjustment, storage compartment pack, front foglights, automatic air conditioning, on board computer, interior lights pack, chrome mirror caps, front sports seats and white indicators.

Mini Checkmate

The new MINI Cooper S Checkmate exclusively features Space Blue metallic paint, 'Checkmate' cloth/leather and interior trim, 'Checkmate' decals, silver roof and mirror caps, 3-spoke two-tone sports leather steering wheel, 17" Flame spoke alloy wheels and silver bonnet stripes.

Additional MINI options which feature as standard on 'Checkmate' are limited slip differential, floor mats, passenger seat height adjustment, storage compartment pack, front foglights, manual air conditioning, on board computer, interior lights pack, anthracite headlining and xenon headlights.
