## Stop dreaming start owning...

09 August 2005 | Classic Driver

**Last time it was a beautifully powerful Ginetta G20 built for the track. Now we've a got sleek road-going Ginetta G20 to give away exclusively at driversknow. And you could drive one away right here - and be turning heads for years to come.**

Our Ginetta is the purest of British sports cars, perfectly tuned for the high-street. Worth a cool £15k, it'll be designed with your perfect spec in mind, then custom-built for summer.

Entering our competition is simplicity itself.

Simply go to [www.driversknow.com](http://www.driversknow.com)

Click 'Log in', log-in (or register) then answer three simple questions, complete the tie-breaker and we'll take care of the rest...

If you're already registered with Drivers Know, simply enter your username and password to get started.
