## 17th of December: Dr. Corinne Schuler

01 December 2005 | Classic Driver

- **Corinne Schuler, President, Polo Club Saint-Tropez; "A perfect Christmas present could be: ten private polo lessons by one of the most important Argentine polo players. The lessons would take place here, at the Polo Club Saint-Tropez-Haras de Gassin, the ideal period being from April until mid-September.**

For Corinne Schuler a passion turned into a dream - and the dream came true. The passion was horses, and above all polo. The dream was creating a modern, functional and elegant polo club in one of the most beautiful landscape of the world.

The result was the Polo Club Saint-Tropez-Haras de Gassin. An establishment was created where polo fans and their horses find top-grade facilities and amenities to enjoy their favourite sport, but where even those who do not play polo are cosseted in friendly and efficient surroundings.

An ideal combination for every event.

The Club offers spectacular international tournaments from April until the end of September, a polo school, a riding school, livery, and a beautiful club house complete with bar and prestigious restaurant - "La Table du Polo" - areas for meetings and events, and a shop.
