## Special edition Ferrari to celebrate 60th anniversary

**Based on the 612 Scaglietti, Ferrari will build a series of 60 handcrafted, unique cars in celebration of this year's 60th birthday for the company.**

The cars will be offered with a two-tone livery in a combination of classic Ferrari colours, the interior appointments will feature unique colour coordinations and a stunning new-generation electrochromic glass roof, itself a major innovation. The degree of opacity of the roof can be adjusted to suit the occupants' requirements.

To underline the exclusivity of this series of one-offs, each example will also boast an enamelled symbol set on the central tunnel representing one of the 60 historic events chosen to celebrate the Marque's anniversary.

### **Marathon Round the World Celebratory Relay Officially Started in Abu Dhabi by Piero Ferrari**

January 29th 2007: The marathon relay celebrating Ferrari's 60th anniversary started this morning from the Italian Embassy in Abu Dhabi at 10 a.m. local time. The relay will involve over 10,000 Ferrari owners and their cars of all ages.

The marathon relay will end at Maranello on June 23rd. The participants in the tour will be received at the various Italian embassies in the countries they pass through en route to Maranello.

The relay was officially started by Piero Ferrari, Vice President of Ferrari and son of founder Enzo Ferrari. In his speech, Ferrari spoke about his father and his brilliant intuition in creating a Marque that has become a symbol of Italian talent and exclusivity across the world. He also praised Luca di Montezemolo who has, over the last 15 years, returned Ferrari to the very pinnacle of the sporting and commercial worlds.

### **Ferrari 60th Anniversary Relay in the UK**

Ferrari GB will host the 60th Anniversary relay between 18-22 April and the tour will visit every Ferrari dealership in the UK, with a series of activities which will involve Ferrari's most enthusiastic clients and fans. Further details about the UK leg of the Ferrari 60th Anniversary Relay to come in due course.
