## [AgustaWestland Grand by Versace](#)

**AgustaWestland and Versace, one of the leading Italian fashion design houses, announce their collaboration to offer AgustaWestland's customers a range of exclusively designed cabin interiors for its helicopters. Versace is synonymous with quality and luxury and is the first Italian fashion design house to express its sophisticated, glamorous and exclusive style to helicopter cabin interiors.**

The Versace style uses significant elements of the great classic tradition that has always been a source of inspiration for the company, mixed with a very modern approach to elegance and comfort. The aim of Versace and its team of designers is to focus on research, creative development and accurate accomplishment of every detail of the helicopter's interior.

The Versace designed interiors are produced by AgustaWestland using the finest materials and highest standards of craftsmanship, enabling AgustaWestland to offer its customers the ultimate in terms of luxury and comfort as well as functionality and security. The Versace interior is additional to the several other interior configurations offered by AgustaWestland for its VIP/Corporate range of products.
