Salvatore Ferragamo luggage set for the Maserati GranTurismo

11 October 2007 | Classic Driver

Salvatore Ferragamo, one of the world's most famous designers of luxury leather goods, has created a special five-piece luggage set for the Maserati GranTurismo.

Inspired by the distinctive lines of the grille and headlamps of the latest big GT from Modena, all five pieces in the set - a suitcase, a garment bag, a weekend bag, and beauty and shoe cases - carry the embossed legend 'Salvatore Ferragamo for Maserati'. The colour-coordinated set is ideal for two people travelling together, and is specially designed to fit in the boot of the new car.

The 'Salvatore Ferragamo for Maserati' luggage collection is available in either hand-grained calfskin or natural, scratchproof calfskin in four colours: *Testa di Moro*, *Blu Maserati*, *Nero*, and *Melanzana* (natural calfskin). It is available to order from the 13 worldwide Salvatore Ferragamo stores or your official Maserati dealer. Prices are estimated to start at 5,667 EUR net.
