Darling Harbour Immobilier: Saint-Tropez - Panoramic Sea and Village Views

Advertising

□

St Tropez: The tastefully renovated villa has 4 bedrooms with en-suite bathrooms. The living and dining area, with a semi-open designer kitchen, leads onto an enormous terrace with stunning views across the village of Saint-Tropez and the Gulf.

The new 10x4m pool is framed by an 80sqm teakwood deck and is set in a terraced 1300sqm garden with natural stone walls. Air-conditioning, Bose sound system throughout the house and pool area, alarm and international TV and WiFi reception truly make this a rare opportunity.
