### Lead

To celebrate the forthcoming release of the James Bond 50th anniversary blu-ray box set, 20th Century Fox has compiled a montage of the cars synonymous with Bond in action.

The Bond 50 box set will be released on 24 September, which gives you a month to watch all 22 films in high-definition before the next instalment, [Skyfall](#), is released in cinemas. See the [official website](#) for more information.
