## [Video: The Secrets of the Porsche Museum, Part 1](#)

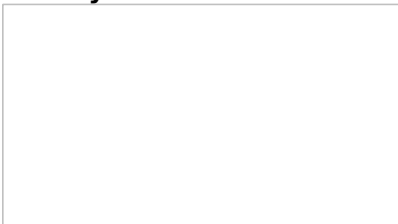

### **Lead**

The Porsche Museum houses some of the rarest cars in the marque's history – but there's also a secret inventory of hidden gems kept behind closed garage doors.

Part 1 gives us a teasing glimpse of some of Porsche's 'could-have-been' cars; a vision of a possible parallel universe for the brand. Stay with Classic Driver for Part 2, coming soon...
