[Pebble Beach Week 2012: The Little Car Show](#)

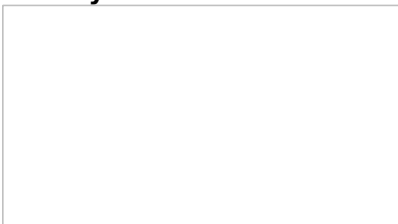

Lead

Big is not always beautiful. While the lawns at Pebble Beach and the salerooms of Monterey might only feature multi-million-dollar cars, elsewhere on the peninsula an event was held to celebrate the 'Small Cars of the UK'.

Pacific Grove was the venue for an eclectic mix of British classics shown to an appreciative audience, content to leave the Cal' Spiders, Shelby Cobras and Duesenbergs for another day. Here are some of the highlights.
