
For the Pop Lover

21 November 2012 | J. Philip Rathgen

London gallery 'Mach Schau' has a fascinating photo of the Beatle George Harrison casually posing in front of his white Aston Martin DB5. It'd make the perfect Christmas addition to the garage of a tasteful collector, the office of an avid Beatles fan – or indeed, the Classic Driver office.

The picture was taken by renowned photographer Henry Grossman, who shadowed the Beatles with his trusty camera for more than four decades. A small selection of his comprehensive (6000+) collection of Beatles imagery is currently being displayed in the Mach Schau exhibition gallery.

With its countless small shops and boutiques, London is an ideal venue for Christmas shopping: but where can you find the really special and unusual gifts? Classic Driver is out and about in the Capital, and will be suggesting a new gift idea every day.
