## For the Exhibitionist

### Lead

For those travelling long distances away from base, luxury goods maker Alfred Dunhill has come up with a solution to that age-old problem, “How can I show the family holiday video to my friends, when they say their projector is packed away for the winter?”

The answer is to never leave home without Dunhill’s Mini Projector, safely tucked away in a handmade leather case with all its peripheral wires, SD cards, connectors and a tripod. Snap home a couple of connectors, pull out the tripod legs and, *hey presto!* it’s Torremolinos 2001, all over again.

With its countless small shops and boutiques, London is an ideal venue for Christmas shopping: but where can you find the really special and unusual gifts? Classic Driver is out and about in the Capital, and will be suggesting a new gift idea every day.
