For the Young at Heart

Table tennis, 'ping pong' - or 'wiff waff' as we Londoners, taking a cue from our Mayor, like to call it - is a fun sport for all the family. A stylish way to enjoy a game in one's Notting Hill basement conversion is the 'James Perse Limited Edition Ping Pong Table'.

Made of solid teak, the table is hand-crafted from sustainable wood. It's practical, too: remove the net and then cover the playing surface with the optional plain top and one's dinner party problems are solved, as it swiftly converts to a stylish dining room table.

With its countless small shops and boutiques, London is an ideal venue for Christmas shopping: but where can you find the really special and unusual gifts? Classic Driver is out and about in the Capital, and will be suggesting a new gift idea every day.
