## For the Fashionista

### Lead

For today's gift we have travelled east, to London's latest trendy district, Shoreditch. Among the fixed-wheels, trappers' hats and £300 Japanese designer jeans we found a coat... from Sweden.

The 'Arvid' raincoat is made by the Swedish company Stutterheim Raincoats. Yes, Åsögatan is a long way from the Aldgate Underground station, but its Savile Row quality travels well. What's the Swedish for: "Can I have your inside leg measurement, sir?"

With its countless small shops and boutiques, London is an ideal venue for Christmas shopping: but where can you find the really special and unusual gifts? Classic Driver is out and about in the Capital, and will be suggesting a new gift idea every day.
