## For the Admirer

Just before we cross the finishing line, one of our final Christmas gift ideas is for the romantic: something from the new collection of lingerie by the young designer Fiorina Benveniste-Schuler.

The collection is named after her grandmother, Colette, “an avid wearer of corsets and gloves who embraced elegance and style”. Benveniste-Schuler brings a different philosophy to her designs, successfully combining various cultures to create luxury accessories that bridge the gap between the formal and the casual, and between rock elegance and French chic.

With its countless small shops and boutiques, London is an ideal venue for Christmas shopping: but where can you find the really special and unusual gifts? Classic Driver is out and about in the Capital, and will be suggesting a new gift idea every day.
