## Forget Magnum! Rianne + Ferrari 308 GTS = ?

14 May 2013 | J. Philip Rathgen

*How would Magnum P.I. react to a very pretty lady, in highly transparent underwear, lolling on his Ferrari? He would probably be quite strongly affected.*

Just as with our recent ['Naughty 911'](#) story, this photographic spread taken by the American photographer Yu Tsai for the fashion magazine Flaunt emphasises the arousing nature of an image which combines two extremely beautiful forms, in this case the model Rianne ten Haken and the Ferrari 308 GTS.
