Description

Estimate: €62,000 - €68,000

Registration Number: German Registered

Chassis Number: TFFAA17B000076199

This splendid Testarossa was supplied new in Germany by Auto König, and remains in 'as new' condition after having covered a mere 8800 km in the hands of 2 owners, the last one a well known collector. The car comes with every extra supplied by the works, including the tool kit.

All invoices from the day of sale (including the purchase invoice) until today remain with this exceptional car, such as all bills for servicing, TÜV and so on.

Only 800 kms ago a Ferrari dealership carried out its most recent service including a new clutch and change of cambelts. This is a true collectors item and sure to grow in value in future. It is of course supplied with German registration documents.

Dieser Testarossa wurde als Neufahrzeug von Fa. Auto König München in Deutschland ausgeliefert.
