Footnote:

Last-of-the-line models are always sought after by discerning collectors and few are more highly prized than the final flowering of the glorious 'David Brown' six-cylinder series, considered by many to be the last of the 'real' Aston Martins. Culmination of this long-running line of 'DB' sports saloons, the DB6 was introduced in

1965. Recognisably related to the Touring-styled DB4 of 1958, the DB6 abandoned the Superleggera body structure of its predecessors in favour of a conventional steel fabrication. The wheelbase was now 4" longer than before, resulting in an extensive restyle with more-raked windscreen, raised roofline and reshaped rear quarter windows. Openi
