1993 Aston Martin Virage Volante

Registration no. C8 AML

Chassis no. 60067

Engine no. 89/60067/A

Estimate: £23,000 - 26,000

Footnote:

The Volante convertible had been the big seller of the 'old' V8 line-up, so the only surprise was that it took Aston Martin more than two years from the Virage coupé's introduction to come up with a soft-top equivalent. The production Virage Volante debuted at the Geneva Motor Show in March 1991, a prototype having been displayed at Birmingham's NEC the previous October. Weighing in at over two tons, the open Volante was even heavier than the closed coupe, itself no lightweight, this increase in weight being

accounted for by considerable body strengthening to compensate for the absent roof, plus the extra complication of the power-operated convertible hood. Electrically
