Registration Number: E773 MMM

Chassis Number: WFOCXXGAECGG11377

This is one of what is thought to be only 25 remaining Moonstone Blue RS 500s from the production run of 52. It was registered on the 13th August 1987 and shows just 36,000 miles on the odometer, with many service invoices to support this.

The engine has been rebuilt and uprated by A1 Rallysport and now produces 418bhp as recorded on the dyno power chart, provided with the car. The turbo has also enjoyed a recent overhaul. A tracker has been fitted, also upgraded front brake discs and calipers, and 18" alloy wheels.

The car is described as being in excellent condition and is supplied with the original handbooks and photographs of restoration. The current and also 11 previous MOTs are present, as is the V5 document. This is a low mileage RS500 in the rarest available colour scheme.

This RS 500 was registered on the 12th August 1987 and has covered 72,000 miles from new with service invoices to su
