Admission by catalogue only - admits two

First registered on 21st February 1951, the 401 we are offering here is original and is described by the vendor as being in excellent overall condition. Beautifully presented in British Racing green with a beige and brown interior and a well maintained 2 litre, 6 cylinder, triple carburettor engine. The previous owner kept a meticulous record of the maintenance of the car over the 42 years of his ownership which will be included in the sale. Also included are useful additional documents such as the model instruction manual and a spares handbook. The car is supplied with a Certificato di Proprieta and a Carta di Circolazione.

This is an excellent example of the model in superb condition and a pleasure to drive. A true investment with very low mileage and a winner of the Anthony Crook trophy, this striking 1951 Bristol 401 is ready to be driven away by its new owner
