Footnote:

'Aston Martin is back with its most promising product since the DB4 35 years ago. It's the best looking British sports car since the E-Type and an imperious chassis, gutsy engine and sumptuous cabin mean its talents are much more than skin-deep. Classic GTs come no finer this side of a Ferrari 456GT. Even without the emotional knee-jerk reaction to a car of such beauty, the DB7 is a triumph. In nigh-on every area of engine and chassis performance it has what it takes to hold its own against the opposition and, in many spheres, shows them the way home.' - Autocar

It was the company's 1987 acquisition by Ford which ensured the future of Aston Martin, and the former's takeover of Jaguar two years later which made possible the revival of the DB line, dormant since the end of DB6 production in 1970. Jaguar's axed XJ-S replacement - the XJ41 - was dee
