1991 Aston Martin Virage Coupé

Chassis no. SCFCAM1S0MBR50338

Engine no. 89/50338/A

Estimate: £16,000 - 20,000

Footnote:

'We wanted a car that was a new form. Fresh, exciting, purposeful but unquestionably Aston Martin,' explained Aston Martin Chairman and Chief Executive Victor Gauntlett on the Virage's arrival, while stressing: 'It was important that, although new in virtually every way, the Virage was of evolutionary, rather than revolutionary, design. It has to be a car that could stand in line with every post-war Aston Martin and be

the self-evident successor to that tradition.'

Launched at the International Motor Show, Birmingham, in October 1988, the sensational newcomer restated its Aston Martin V8 forerunner's muscular looks in the modern idiom, contriving to be slightly narrower yet providing increased interior space. T
