The Audi marque is synonymous with well built, reliable and high performing road and racing cars both today and in seasons gone past. It is no surprise then that modern Audis have always been popular with the club racing scene.

Raced on hillclimbs and sprints with success during the 2008/9 season and 100% reliable during that time, this superbly prepared (both inside and out) 1991 5-cylinder car is now available offering startling

performance and a sound track worthy of the Valkyries. Bored and stroked to 2½ litres with a new crank, forged and balanced rods with JE pistons, ARP bolts and fully ported & matched 20 valve head, the engine and transmission has h
