Registration Number: TBA Chassis Number: 003924

The example we are proud to offer today is a 1.3 S dating from 1972. The car has been comprehensively restored: the engine sports high compression pistons and a high lift cam and rejetted solex carburettors. The mechanical parts of the car have been comprehensively rebuilt. The wheel arches have been widened slightly to accommodate the larger wheels from a 1600 Lancia HF. The car has been de-registered or 'radiata' - therefore if the car is to remain in Italy its next owner will need to re-apply for the original registration numbers. A fully sorted beautifully presented and potentially competitive car.

L'esemplare che siamo lieti di offrire oggi è una 1.3 S del '72. La vettura è stata complessivamente restaurata e le parti meccaniche rifatte ed è stata anche adattata per poter montare ruote più larghe
