This lovely Series II Lancia Gamma has enjoyed just one owner from new and has been looked after meticulously. It has always been kept dry garaged and been used sparingly for the past 28 years.

Accordingly it presents itself in nearly as new condition: it is reported to be absolutely corrosion free with a factory fresh interior and peerless paint finish. All fixtures, fittings and glass work are factory fresh. Plastic factory protection is still present in the footwells and sill areas following delivery. New tyres have been fitted recently. On the button and ready to be enjoyed immediately. Thoroughly recommended, if you like these quirky yet elegant coupes.

Questa graziosa Lancia Gamma Serie II ha avuto un solo proprietario che ne ha avuto cura meticolosamente.  
È sempre stata riparata
