Padova Fiera
Padova, Italy

Saturday 24th October 2009

Admission by catalogue only - admits two

Registration Number: EU registered Chassis Number: 220498

This time-warp example of the elegant CS series Coupes has most of its life been looked after by an official BMW dealer in Vercelli, in who's private collection it remained. Only recently it benefitted from a comprehensive service, which included the change of the all-important cam belts. As a result the car is described by the vendor as in excellent condition throughout. Finished in dark green metallic with contrasting two tone brown and beige interior, this attractive coupe comes with Italian registration documents.

Con soli due proprietari da nuovo, da cui un concessionario ufficiale BMW, la elegante coupe è descritta dal

venditore come in condizioni eccellenti. Recentamente il motore è stata tagliandata incluso il cambio delle cinghie.
