This car has been the subject of a comprehensive mechanical rebuild, whereas the paint and Martini stickers are in beautiful original condition. The car is on the button and ready to provide its new owner with the combined attributes of a cute city car and pocket rocket, thanks to its turbo-charged engine. A definite future classic.

Questa automobile ha avuto la parte meccanica ricostruita, mentre la vernice e gli adesivi Martini sono originali. Parte senza problemi ed è pronta ad assicurare una buona dose di divertimento al nuovo proprietario con il suo motore turbo! Sicuramente una classica del futuro.
