Registration Number: EHP 282 Chassis Number: 47030

Purchased by the current owner, this well prepared example was originally sourced from the best friend of his father. It was under his careful guidance that the restoration took place after discovery in a barn. The extensive works carried out in 1995 have contributed to its current condition and is a

testament to his care and attention to detail. Supplied with a full file of photographs detailing the restoration and a V5 registration document, this elegant example benefits from an older restoration and so the ideal patina is once again beginning to show itself.
