For many people this is the most exclusive form of road transport. The Phantom is packed with high technology and outstanding build quality - everything from the hand-stitched leather to the umbrellas stored inside the door says class.

The styling evokes traditions of past Rolls-Royce cars. The wood is plentiful, the chrome finishes are mirror-like, and every interior surface that isn't wood or metal is covered with luxurious hides. For those that can consider this car, they can be content that they purchased a vehicle that continues a long line of extraordinary Rolls-Royce convertibles. It is also the second vehicle to be developed at Rolls-Royce since BMW took over stewardship of the company in 1998. Rolls-Royce claims the convertible's torsional rigidity is very close to the saloons. The tria
