Saturday 11th July 2009

Since passing into the current owner's hands in 2004, this car has had in excess of £11,000 spent on it, with a full re-spray, new wheels and covers, new brake discs, new hoses, new wheel cylinders, new alternator, new indicator lamps, new badges and new trim. Maintained to a high standard regardless of cost, it comes complete with current V5 document and MoT certificate, as well as original Florida certificate of title, past MoTs and all bills and receipts for works carried out on the car since 2004. An excellent opportunity to acquire an American icon.

Interested parties should note that the registration is being retained by the vendor and a new age related plate will be issued.
