'Brutal' was a word used more than once to describe the fastest Aston Martin ever on its introduction in 1992, but as the Vantage had no less than 550bhp available to propel its two tons, the choice can only be judged fair comment.

After almost 20 years in production, Aston's V8 had been updated for the 1990s as the Virage, body design being entrusted to Royal College of Art tutors Ken Greenley and John Heffernan. The existing Lagonda chassis and suspension were used in revised form for the new car, while engine development was entrusted to Callaway Engineering. Immensely strong, the old V8's bottom half was

retained but fitted with new cylinder heads boasting four valves per cylinder and hydraulic tappets.
