'Aston Martin is back with its most promising product since the DB4 35 years ago. It's the best looking British sportscar since the E-Type and an imperious chassis, gutsy engine and sumptuous cabin mean its talents are much more than skin-deep. Classic GTs come no finer this side of a Ferrari 456GT. Even without the emotional knee-jerk reaction to a car of such beauty, the DB7 is a triumph. In nigh-on every area of engine and chassis performance it has what it takes to hold its own against

the opposition and, in many spheres, shows them the way home.' - Autocar

It was the company's 1987 acquisition by Ford which ensured the future of Aston Martin, and the former's takeover of Jaguar two years later which made possible t
