The new Nissan GT-R is the latest super car to bear the GTR name, a name that carries with it a reputation as one of the world's greatest vehicles, cars that offer blistering super car performance to anyone, anywhere, anytime. This is the GTR mantra. One of the world's fastest vehicles, it is also probably the world's easiest and most secure high-speed cars to drive fast. The R35 Nissan GT-R blitzed the Nürburgring racetrack - one of the most demanding racetracks in the world, where the condition of the most feared high-speed corner, "Kesselchen" was wet - with a new production car record of 7minutes 38 seconds. It can accelerate from 0-62mph in just 3.6 seconds, and on to a top

speed of over 185mph. The R35 Nissan GT-R is incredibly good value, offerin
