The RS is one of the most famous Porsche models ever built and has come over the years to be regarded as one of the top sports cars to emerge from the 1970's. Porsche's engineers wanted a car that could be successfully used on the race track, yet which at a moment's notice and with no modifications could equally be used for shopping *or* long distance travel. Few people could ever argue that they did not succeed in this aim. The RS is an eminently usable car, just as at home trickling through traffic as it is ploughing down the fast lane of the Autobahn, yet in competitions such as Le Mans, Daytona and the Targa Florio it was almost

invincible, often winning outright against pure racing prototypes. The RS (*or* Rennsport, to give
