

CLASSIC DRIVER

Red Heat

07 July 2013 | Joe Breeze

The Porsche 930 Turbo is a favourite in the Classic Driver office. A 'hero car', if you like. In Guards Red, an early Turbo sums up every image associated with its colour: power, danger and passion - all reflect the car's personality to a tee...

This week's edition is dedicated to that most powerful shade in the spectrum. We not only take a look at some of the more unusual shades of crimson used by the automotive industry, we also consider the famous female stars whose locks are as vibrant as their personalities.
