RM's Ferrari 275 GTB/4 N.A.R.T. Spider – an owner's story on video

06 August 2013 | Classic Driver

Estimated at \$14m – 17m, this one-of-ten, one-owner Ferrari will be offered for sale by RM Auctions at its 2013 Monterey week sale. The vendor's family will donate all proceeds to charity – and this short film tells the story of Eddie Smith Snr. and his lifelong passion for the car.

The convertible version of Ferrari's potent 275 GTB/4 *Berlinetta* was the result of American importer Luigi Chinetti recognising the popularity of open cars in the USA. Just ten were built, all carrying Chinetti's famous North American Racing Team (N.A.R.T.) rectangular badge.
