[Stunning for the Stelvio? Our favourite 'Alpine' cars](#)

Lead

Not every adventure in the Alps ends at the business end of a bulldozer. No, The Italian Job was only a film, after all, and most journeys through such famous passes as the Simplon and St. Gotthard are heaven on four wheels. Rather than just 'heaven'...

So, fill your tank, stretch those stringbacks between the base of each finger and fire her up: here's Classic Driver's pick of cars from the Marketplace sure to reach the summit of any petrolhead's wants list.
