From 25 to 27 October, the 16th Salon Moto Légende motorcycle show held in Parc Floral in Paris will welcome 250 exhibitors and 100 clubs, inviting visitors (in 2012 there were 25,000) to celebrate 90 years of BMW Motorrad - but there's much more than BMWs to enjoy...

Although BMW will be in the spotlight - bringing, among other things, the successful BMW racing machine 'The Lucky Cat' (pictured) - Yamaha will present its new [classic service](#) along with a wide range of classic models, plus - of course - there will be plenty of two-wheeler dealers at this fair. The French dealer [Belles Bécanes](#) is just one example, but look out for its 1977 Harley Davidson XLCR 1000, 1969 Norton Commando 750 and 1981 Moto Guzzi Le Mans 3.
