## [Ferrari 275 GTB: Restoration in pictures](#)

### **Lead**

Photographing the restoration of a beautiful car is not simply of documentary value: the photography itself has great artistic potential. How else can you explain the aesthetics of this stunning series of pictures?

This glorious Ferrari 275 GTB, predecessor of the legendary Daytona, was thoroughly restored (down to the smallest screw) at the [Martini Garage](#) in Heilbronn. It is now for sale at the German dealership [Axel Schuette](#).
