## Pony Power - 50 years of the Ford Mustang

### Lead

Visualise your own 'American Dream' and the likelihood is that a classic Ford Mustang will take priority over picket fencing...

Thanks to the car's early sales success and the vast array of model variants, that dream can be turned into reality by anyone from an entry-level enthusiast to a serious collector. This week, we celebrate the 50th anniversary of the all-American icon – with a modern-day rendezvous, a selection of Mustangs from the Market, and a look at the wild, would-be 'Stangs that were eventually canned.
