
Snapshot, 1999: Gisele Bündchen in monochrome

27 April 2014 | Jan Baedeker

Gisele Caroline Bündchen might be more familiar to most as the blonde, bronzed Brazilian beauty from more than a decade's worth of fashion magazines. But in 1999, photographer Patrick Demarchelier captured her in monochromatic glory...

A signed and numbered (3 of 3) print from the shoot will be auctioned off at the Artcurial Photography Department's inaugural auction in Paris on 20 May 2014, carrying an estimate of €15,000 - €20,000.
