## A dirty comeback: Ducati Scrambler revived for 2015

12 June 2014 | Joe Breeze

*To capitalise on the youthful culture and popularity of motocross in the 1960s and 1970s, Ducati deviated from its usual remit of producing sports machines by releasing a dirt bike aimed at the U.S. market. In 2015, the Ducati Scrambler will return...*

Little information has been released about the new Ducati Scrambler as of yet, other than that it will go on sale next year and take the form of “two wheels, wide handlebars, a simple engine and a lot of fun.” Until its reveal later this year, we’ll have to settle for this teaser video that evokes memories of those wild bikes and their wilderness-seeking riders.

*Video: Ducati*
