10 million-dollar Porsches from the Classic Driver Market

Lead

While countless Ferrari classics are these days worth millions, there are relatively few in the Porsche family that can claim such high values. Nevertheless, we found 10 Porsches of a type that have been known to crack the magic million-dollar mark...

It's only a matter of time before more follow. Take the massive potential of the 1973 911 2.7 RS, which has seen enormous price jumps in recent years: €500,000-plus is no longer a rarity for this classic 911. And early this year we witnessed auction house Gooding & Company sell one of only 200 Porsche 911 Carrera RS 2.7 'Lightweight' models, with the coveted M471 sports package, for 1.4 million U.S. dollars.
