
A class of their own: 10 homologation specials from the market

22 July 2014 | Jan Richter

It's thanks to homologation rules that legendary sports cars such as the Ferrari 288 GTO and BMW M1 were conceived. Although 'a racing car for the road' has become a tired cliché, in the case of these cars, it couldn't be more apt. Here are 10 homologation heroes from the Classic Driver Market...
