10 Testarossa rivals from the Classic Driver Market

Lead

The Testarossa is truly a love-it-or-hate-it car – so while we’ve been looking at its divisive qualities this week, we’ve also put together a list of anti-Ferraris from the same era currently for sale...

Admittedly, not all our chosen machines were direct rivals to the 'redhead' in their day – but if you’re looking for a car with Eighties exuberance in abundance, they’re surely worth some consideration, at the very least...
