Lead

The Bonhams auction at the 2014 Goodwood Revival is, quite fittingly, almost entirely made up of sports and racing cars. Here we choose our 10 favourites...

The headline act of the sale is (somewhat refreshingly) not a sole multi-million-pound lot, but rather [10 sensational racing Abarths from the Maranello Rosso collection](#). Beyond those, we've picked our 10 sale favourites below - should you wish, you can also view the [full lotlist here](#).
