[A dozen desirables from RM's Pennsylvania auction](#)

Lead

Two large collections will be sold off at RM's traditional autumn auction on 9 and 10 October 2014 at Hershey Lodge, Pennsylvania. The lotlist spans 100 years of motoring history and encompasses a range of manufacturer names...

We've selected our 12 favourites below, but you can view the full automotive potpourri that is the [180-lot Hershey auction here](#) - one that also includes a few Chris Craft Runabouts for good measure.
